Measurement Experience!*

Trade-in

Your Legacy 4421 Meter

30% OFF
A **NEW** 4421A Series Meter

Are you ready to take your measurement capabilities to the next level?

Elevate your RF measurement capabilities with the **new Model 4421A**. Discover the future of measurement precision and efficiency with a configurable, touchscreen display that seamlessly supports up to two RF sensors simultaneously.

Why change to the new 4421A RF Meter?

ELIMINATE SWITCHING BETWEEN PARAMETERS

Boost clarity and efficiency with the ability to display multiple parameters simultaneously, providing a concise and complete overview of your readings.

DISPLAY PARAMETERS FROM TWO SENSORS CONCURRENTLY

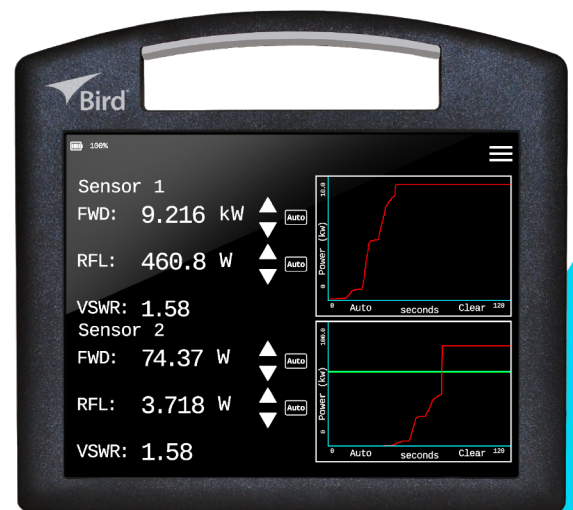

Enhance productivity and throughput by displaying measurements for two RF sensors, providing a more comprehensive view of the data.

ENSURE ACCURATE READINGS WITH GRAPHING MODE

Guarantee measurement accuracy with the new graphing mode by verifying the stabilization of your RF generator. Observe fluctuations settling for precise measurements, thus reducing errors, and enhancing overall data quality.

CUSTOMIZE YOUR DISPLAY

Enhance data collection and reduce errors by displaying only essential parameters, eliminating confusion.

Bird® Trade-in Program

Elevate your RF power measurement capabilities with the **4421A Series Meter**

The Trade-in Advantage

GENEROUS TRADE-IN VALUE

Secure the latest Model 4421A Meter to fulfill your application needs at a lower cost.

SEAMLESS TRANSITION

Experience hassle-free setup for displaying essential readings from your Bird precision sensors.

FUTURE-PROOFING

Expand your testing capabilities with the Model 4421A-12-11-1, supporting the legacy 402x Series sensors and the latest 702x/703x Series sensors for continuous wave and pulsed readings to 0.5% accuracy.

4421A Meter Selection

- Without remote communication
4421A-10-00-0 (single sensor support)
4421A-20-00-0 (dual sensor support)
- With RS232 and LAN communication (No GPIB interface)
4421A-10-11-0 (single sensor support)
4421A-20-11-0 (dual sensor support)
- With RS232 and LAN communication (No GPIB interface)
4421A-12-11-1 (402x/702x/703x sensor support)
